Foundations 64” x 32” Counter Height Table

40310 | Foundations Collection

DESCRIPTION

The Foundations Ipe 64" Rectangular Counter Height Dining Table brings understated sophistication to outdoor living. Designed as a counter height addition to the Foundations Collection, this table elevates al fresco dining with its clean lines, gently rounded corners, and contemporary proportions. Ideal for patios, decks, and poolside terraces, the table's generous surface makes it a natural centerpiece for relaxed gatherings and refined outdoor dining.
