

Foundations 74-103" Extension Teak Dining Table

50260 | Foundations Collection

DESCRIPTION

Bring the magic of a starlit evening to the table and watch gatherings grow from eight to 12 with ease with the Foundations 74-103" Extension Dining Table from Jensen Outdoor. Simply sliding apart the two halves of the tabletop reveals a hidden leaf at the center that can be raised to extend both the table and your party possibilities.
