

Heritage 21" Beechworth Square Lazy Susan

62810 | Heritage Collection

DESCRIPTION

The Heritage collection, formerly known as Classic Ipe, brings beauty and convenience to your outdoor gatherings with the 21" Beechworth Square Lazy Susan. This entertaining essential is crafted from individual slats of Ipe timber and designed to allow a table umbrella to pass through its center while resting on a dining table. Its clever styling keeps food and drinks within easy reach while providing umbrella shade (not included) from the elements.
