

Opal Chaise Lounge

63450 | Opal Collection

DESCRIPTION

Bask in the breeze and the beauty of the Opal Chaise Lounge from Jensen Outdoor. Lounging becomes luxurious with the comfortably angled backrest and supportive frame formed from fine, linear slats of Ipe timber. The tasteful open "O" accent on the upper backrest is the signature of Opal and designed to resemble the precious stone that shares its name. The Opal Collection is distinguished by artisan craftsmanship, fine materials and the responsible use of 100% FSC-Certified Ipe timber sustainably sourced from dry, tropical forests. The sustainability extends to the durable Ipe timber, which is able to withstand extreme weather, moisture and sun for years of enjoyment.
