

Opal Loveseat

63420LB | Opal Collection

DESCRIPTION

You'll absolutely adore the beauty and comfort of the Opal Loveseat from Jensen Outdoor. Everyone loves snuggling up on the sturdy seat and against the supportive backrest sculpted from individual slats of Ipe timber with its open "O" accent on the upper back, which is inspired by the precious jewel of the same name. This decorative detail is just one of the many signatures of the Opal Collection, along with transitional design and the use of 100% FSC-Certified Ipe timber sustainably sourced from dry, tropical forests in Bolivia. Incredibly durable and resilient to both weather and wear, the deep, chocolate brown color of Ipe timber may be preserved with ease yet can also be allowed to mature and reveal a lovely silver patina that appeals to elegant tastes.
