

# Opal Swivel Rocker

63440LB | Opal Collection

## DESCRIPTION

Turn back the clock to simpler days of relaxing on the porch with a cold glass of lemonade when you sit back in the Opal Swivel Rocker from Jensen Outdoor. Take this stylish rocker for a spin with its full swivel, sculpted arms and ergonomically slanted backrest crafted from the arrangement of linear slats of solid Ipe timber. Its final twist on tradition is a distinctive, open "O" accent on the upper back that is shaped like its namesake jewel and serves as the signature of the Opal Collection. The transitional design and streamlined styling of the Opal Collection is artfully crafted from sustainably-sourced, 100% FSC-Certified Ipe timber exclusively harvested from the dry, tropical forests of Bolivia.
