

## Nest Ottoman

22410 | Nest Collection

### DESCRIPTION

A textural take on the ottoman, the Nest Ottoman from Jensen Outdoor is the ideal alfresco accent. Serving as a footstool for weary legs, as a table for hors d'oeuvres or as seating for extra guests, this ottoman tastefully finishes any outdoor seating ensemble with its chic woven design formed from all-weather Viro™ Fiber material on a commercial grade, powder coated aluminum frame. Its clean silhouette is grounded with an Ipe timber base and gracefully tapered legs.
