

Opal Swivel Hi Dining Arm Chair

63030 | Opal Collection

DESCRIPTION

A fresh spin on outdoor dining, the Opal Swivel Hi Dining Arm Chair brings everyone around the table. Elevate your dining experience by pairing this tasteful chair with any hi dining table from Jensen Outdoor. Turn heads with its full swivel and the sophistication of linear slats of Ipe timber forming its contoured seat, angled backrest, sculpted arms and tapered legs. Another twist is the open "O" carving on the upper backrest, which is both the signature of the Opal Collection and based on the precious stone that holds its name. Proudly seated in the Opal Collection with its transitional design aesthetic, the chair is beautifully crafted from 100% FSC-Certified Ipe timber sustainably harvested from remote, tropical forests in Bolivia. This durable hardwood is ideal for outdoor dining due to its resistance to weather, sun, moisture and wear.
